The wise women said,  
Once your heart is in battle  
There's no coming back  
(Fight for Thor)  
And before the attack  
Feel your blood starts to boiling in your veins as you  
charge  
(Hundreds fallen)

As the fire inside  
Is ignited by bloodshed  
In berserkers from north  
Would it be as was said  
When the serpent be woken  
Fenrir howls

Swedish Pagans, marching ashore  
Forge in Valhalla by the hammer of Thor  
Out from Asgaard, a viking ship sails  
Never to turn back again

When our brothers have fought  
Is where we will be proven  
On ground stained by blood  
(Standing tall)  
And we know, if we fall  
Our comrades awaits in Valhall  
(Odin's calling)  
As the fire inside  
Is ignited by bloodshed  
In berserkers from north  
Could it be as was said  
When the serpent be woken  
Fenrir howls

Swedish Pagans, marching a shore  
Forge in Valhalla by the hammer of Thor  
Out from Asgaard, a viking ship sails  
Never to turn back again

First to the battle  
First to the feast

Destiny waiting,  
No retreat,  
Retreat!

Swedish Pagans, marching a shore  
Forge in Valhalla by the hammer of Thor  
Out from Asgaard, a viking ship sails  
Never to turn back again
