Far beyond their nations' borders  
There's an army on the march  
For religion, king and glory  
In the name of Christ their enemies chastise

Taking orders from the heavens  
Through hostile fire they will march  
Unaffected by the volleys  
Facing death their faith will keep their fear at bay

Into battle facing the fire, Lord thy will be done  
Into battle walk in a line

See the white in their eyes, Caroleans are marching on  
Put their lives in God's hand for their kingdom and  
fatherland  
See the white in their eyes, Caroleans are marching on

Morale and discipline unites them  
A common faith to keep them strong  
Always on their way to heaven  
In the name of Christ their enemies chastise

Into battle facing the fire, Lord thy will be done  
Into battle walk in a line

See the white in their eyes, Caroleans are marching on  
Put their lives in God's hand for their kingdom and  
fatherland  
See the white in their eyes, Caroleans are marching on

Fader vÃ¥r som Ã¥r i himmelen helgat varde ditt namn  
Tillkomme ditt rike ske din vilja  
SÃ¥som i himmelen sÃ¥ ock uppÃ¥ jorden, ge oss  
brÃ¶d ock idag  
Och fÃ¶rlÃ¶t oss vÃ¥ran skuld

Ahead, facing the lead  
An army of Swedes, performing God's deeds  
Showing no fear, their judgement is near  
Making their sacrifice  
When the king and his men

Their enemies sight, prepare for the fight  
Banners held high, ready to die  
Hear how they praise the Lord

Into battle facing the fire, Lord thy will be done  
Into battle walk in a line

See the white in their eyes, Caroleans are marching on  
Put their lives in God's hand for their kingdom and  
fatherland  
See the white in their eyes, Caroleans are marching on
