Country in depression  
Nation in despair  
One man seeking reasons everywhere  
Growing hate and anger  
The Fuhrer's orders were precise  
Who was to be blamed and pay the price!

Wicked propaganda  
Turning neighbors into foes  
Soldiers of the third Reich searching homes  
And then the former friends are watching  
As they are rounded up one by one  
Times of prosecutions has begun

Ever since it started  
On Crystal night of 38  
When liberty died  
And truth was denied  
Sent away on train on a one way trip to hell  
Enter the gates Auschwitz awaits!

When freedom burns  
The final solution  
Dreams fade away and all hope turns to dust  
When millions burn  
The curtain has fallen  
Lost to the world as they perish in flames

There was a country in depression  
There was a nation in despair  
One man finding reasons everywhere  
Then there was raising hate and anger  
The Fuhrer's orders still apply  
Who was to be blamed and send to die!
