It's under crimson skies hell's horizon  
Our trap will spring  
Unaware of our presence they'll be marching  
Straight to their doom

We are prepared for war ready to fire  
Stand by to charge  
Counting down as they march into destruction  
Their time has come

They'll never know we give no warning  
We set a trap they took the bait  
Leading them straight into hell

They will not live to tell the tale  
We'll strike at dusk and fight 'til dawn  
Tonight our foe is bound to fail  
Our time is now all ready at arms

Upon our chosen ground dead men marching  
No sign of hope  
Victory will be ours before the dawn breaks  
Tonight we charge  
Chaos and disorder sound of the attack  
Charging down the mountain frontal assault  
Guns light up the darkness mortars rip the ground  
Like a force of nature shaking the field

They'll never know we give no warning  
We set a trap they took the bait  
Cut off retreat

Released  
Unleashed  
The beast within berserker rage is  
Released  
Unleashed  
A storm a force unbreakable warmachine

Victims of the ambush  
Stains the ground with blood  
Fields of execution murderous plan

Soldiers turn to madmen in the dead of night  
Fighting with a fury fiery eyes
