Warsaw Rise!

Do you remember when, when the Nazis forced their  
rule on Poland 1939 and the allies turned away  
From the underground rose a hope of freedom as a  
whisper  
City in despair, but they never lost their faith

Women, men and children fight  
they were dying side by side  
And the blood they shed upon the streets  
was a sacrifice willingly paid

Warsaw city at war  
Voices from underground

whispers of freedom  
1944 help that never came  
Calling Warsaw city at war  
Voices from underground

whispers of freedom  
Rise up and hear the call  
History calling to you  
'Warszawa, walcz!'

Spirit soul and heart  
in accordance with the old traditions  
1944 still the allies turn away  
Fighting street to street  
in a time of hope and desperation  
Did it on their own and they never lost their faith

Women, men and children fight  
they were dying side by side  
And the blood they shed upon the streets  
was a sacrifice willingly paid  
Warsaw city at war  
Voices from underground

whispers of freedom  
1944 help that never came

Calling Warsaw city at war  
Voices from underground

whispers of freedom  
Rise up and hear the call  
History calling to you  
'Warszawa, walcz!'

[Solo - Oskar & Rikard]

[2x]  
All the streetlights in the city  
broken many years ago  
Break the curfew, hide in sewers  
Warsaw it's time to rise now

Warsaw city at war  
Voices from underground

whispers of freedom  
1944 help that never came  
Calling Warsaw city at war  
Voices from underground

whispers of freedom  
Rise up and hear the call  
History calling to you  
'Warszawa, walcz!'
