I give him all my love  
that's all I do  
and if you saw my love  
you'd love him too  
I love him  
He gives me ev'rything  
and tenderly  
the kiss my lover brings  
He brings to me  
and I love him  
A love like ours  
could never die  
as long as I  
have you near me  
Bright are the stars that shine  
dark is the sky  
I know this love of mine  
will never die  
and I love him  
Bright are the stars that shine  
dark is the sky  
I know this love of mine  
will never die  
and I love him
