Witches gathering, Baphomet is calling  
Torches flaring up, into the ritual circle  
The witches turn the crosses upside down  
Turning over the first page of satanic bible  
Kiss the sword, kiss the fire  
Drink the wine from the skull  
Invocation to the pentagram  
Burning in the raging curse  
Witch's torches  
For the devil, a virgin daughter, crucified  
The sacrifice screaming, dark night of revenge  
Terror of despair raising a flaming curse  
Serpents licking up the swollen soul
