Somebody better tell me whats going on,
I've tried everything, but everything goes wrong.
I'm breaking into pieces, I'm breaking into pieces,
I'm breaking into pieces with the fuel headed for the
fire.

Cause I thought I was over you, but in my mind I'm a bit
confused.

I think I'm falling for you, I think there's something

I wanna get things right so we can bounce back up.

Somebody better own up to this...
I'm ready for a party cause this place
Just keeps going down.
And sugar your a fast track
And your sweet as berries in the heavens
With your eyes bright and staring back.

And eyes bright and staring back,
And eyes bright and staring...
