1. I come into Your presence  
With nothing in my hands;  
I only bring thanksgiving  
For Jesus, God and Man.  
I cast myself on mercy;  
I cast myself on love;  
I trust Your gracious promise  
To wash me with Your blood

2. I will not fear Your judgment,  
For me, no wrath I dread,  
For it was spent on Jesus,  
Poured out upon His head.  
When Satan's accusations  
Make my poor heart afraid,  
I hear my King declaring  
"Father, that debt is paid".

Chorus:

Jesus my only hope, my only plea;  
My righteousness, my Great High Priest  
Who intercedes for me before the throne;  
Jesus, I trust in You alone.

The verses can be sung to,  
"The Sands of Time".
