Mmm mmm mmm yeah yeah

Everybody is somebody
Everyone is special, ya know
So different and
So unique and individual
You know it, now show it
Be what you feel
In your heart
Believe it
You're perfect
Just the way you are

You've just gotta be you
And nobody else
You're the original
And you do it so well
You're the star
It's your world
Everything that you do
So remember to be yourself
Cause you've gotta be you

You're brave and courageous
You got the power inside
You're ready
Strong enough for anything
At any time
You know you, just be true
You got a style all your own
Don't be shy
It's time to
Let yourself show!

You've just gotta be you
And nobody else
You're the original
And you do it so well
You're the star
It's your world
Everything that you do
So remember to be yourself

Cause you've gotta be you x2

When you know who you are
Nothing seems too hard
Oh and nothing can stand
In your way
You're bold and beautiful
Let the whole world know
Let everyone know your name

Yeah yeah yeah oh
Yeah yeah yeah Got to be you

You just gotta be you
And nobody else
You're the original
And you do it so well
You're the star
It's your world
Everything that you do
So remember to be yourself
Cause you gotta be you x2

Mmm mmm mmm yeah yeah x3
