Marik:

Ooo~~~~oooh

Let's take his leather pants

Ooo~~~~oooh

Let's take his leather pants

Ha ha, ha ha ha

Mwa ha, ha ha ha

La la, la la la

We want his leather pants

Gah gah, rah rah rah

Nah nah, flah flah flah

La la, cha cha cha

Take off his leather pants

I'm getting ready,

My legs have been waxed

'Cause when we get them

I am wearing your slacks

Right on my tush

Tush, tush, tush

Right on my tush (tush, tush, tush)

Right on my tush

Hey!

We want your trousers

Your breeches, your chaps

No you can't get these pants

By shopping at GAP

Their service sucks

Sucks, sucks, sucks

It really sucks (sucks, sucks, sucks)

It really sucks

Bakura:

You know that we want them

And you know that we need them

We want the pants

Your leather pants

Marik:

Me and Bakura
We will have our revenge
Him and me
We'll take your leather pants

Oooo~~~oooh!

Me and Bakura
We will have our revenge
Him and me
We'll take your leather pants

Oooo~~~oooh
Let's take his leather pants
Oooo~~~oooh
Give us the effing pants

Blah blah, blah blah blah
Dah dah, pah pah pah
Yah yah, Mamma Mia
We want those leather pants

We don't want vinyl
Or chinos or briefs
I am a criminal
And he is a thief
Plus we're both hot
Hot, hot, hot
We are quite sexy

[Bakura: Marik, that doesn't rhyme.]

[Marik: Shut up, I am Lady Gaga!]

Marik:
I have watched Psycho
And I like Vertigo
The Birds was okay
Ooo! I love Rear Window
By Alfred Hitchcock
Cock, cock, cock
We love Hitchcock (cock, cock, cock)
We love Hitchcock
[Hitchcock: Good evening.]

Bakura:
You know that we want them
And you know that we need them
We want the pants
Your leather pants

Marik:

Me and Bakura
We will have our revenge
Him and me
We'll take your leather pants

Ooo~~~oooh!

Me and Bakura
We will have our revenge
Him and me
We'll take your leather pants

Ooo~~~oooh
We want those leather pants
Ooo~~~oooh
Let's steal his leather pants

Tah tah, mah mah mah
Bah bah, wah wah wah
Zah zah, vah vah vah
Take off his leather pants
Gah Gah, rah rah rah
Nah nah, flah flah flah
La la, cha cha cha
I like these silly noises

Marik & Bakura:
Wear, wear, leather baby
Work it, move your tush, it's sexy
Wear, wear, leather baby
Work it, move your tush, it's sexy
Wear, wear, leather baby
Work it, move your tush, it's sexy
Wear, wear, leather baby
Work it

Marik:
I'm an evil bitch, baby!

We want your pants
And we want our revenge
We want your pants
And we're really just friends

Je voudrais sons
Pantalons cuir
Sons pantalons
Why am I speaking French?
Why am I speaking French?
I don't wanna be French!
We want your leather pants!

Me and Bakura
We will have our revenge
Him and me
We'll take your leather pants

Oooo~~~oooh!

Me and Bakura
We will have our revenge
Him and me
We'll take your leather pants

Oooo~~~oooh!

We want his leather pants!
Let's get his leather pants!
Let's take his leather pants!

Ooo~~~oooh!
Take off his friggin' pants!
Remove his effing pants!
Let's take his leather pants!

Ha ha, ha ha ha
Mwa ha, ha ha ha
Gah ha, ha ha ha
We've got his leather pants!
