I can see it so vividly
In a memory-the simplicity
Of the strength of a father, prayers of a mother
And the trust of a child
Just a virtuous family
Such a place of hope, such a place of peace
And whatever the matter we all stayed together
Through the toughest of times
Cause love
was the common bond for all
Looking back I still recall.

CHORUS

It was all so amazing
Every laugh, every tear
Every moment we shared
It was all so amazing
Through your faith, I have come
To believe in a prayer
The hands of time may
Take me down a million roads
Still my heart always carries me
back to the place
The home
built on amazing grace
We must not let the years erase
This inheritance of amazing grace
But through every tomorrow
Our children must follow
In this passage of faith
So that love will forevermore remain
As the light that guides our way

REPEAT CHORUS

Amazing grace
how sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see
