"Every Reason To Believe"

Visit "[Every Reason To Believe](#)" on MotoLyrics.com

Searching for a reason to hold on to faith
Your grip is getting weaker
Strength just slips away
At times you get discouraged
By what you see inside
Its time to look toward heaven
Lay your doubts aside
Our Lord is trustworthy and able
Time and again He has proven
Himself faithful
CHORUS
There is
Every reason to believe
Every promise made is true
In the seasons of our lives
A strong hope in God will lead us through
WE can shout
WE can rejoice
Steadfast faith gives us the voice
To express what our minds
Cannot conceive
Theres every reason to believe
Long ago eternity stepped into time
Redeeming fallen man by laying down His life
One truth forever silencing His Foes
The Christ arose
Sing praise to the God of salvation
Whose power sustains us
Through every situation
