As the - ball of sunset fire  
Falls into the sea - and the  
Diamond lights start dancing - in the  
Sky of ebony - all that  
I see before me  
Screams out Your glory  
You fill the earth with beauty - that  
Leaves us so amazed  
You fill the earth with power - that  
Takes our breath away  
Lord we are Your people  
And for all our days - we  
Long to fill the earth  
Fill the earth with Your praise  
In the - mighty wind and water - that  
Pounds upon the shore - in the  
River when it rages - and the  
Thunder when it roars  
Creator, Sustainer  
It could not be plainer  
That You fill the earth with beauty - that  
Leaves us so amazed  
You fill the earth with power - that  
Takes our breath away  
Lord we are Your people  
And for all our days - we  
Long to fill the earth  
Fill the earth with Your praise  
Oh world of wonder around us  
How Your works astound us  
You fill the earth with beauty - that  
Leaves us so amazed  
You fill the earth with power - that  
Takes our breath away  
Lord we are Your people  
And for all our days - we  
Long to fill the earth  
Fill the earth with Your praise  
We long to fill the earth  
Fill the earth with Your praise
