Just a big wide ocean  
and a ceiling of stars  
Set the sails in motion, gonna  
follow his heart  
Oh, all he ever wanted was a  
journey to his younger days  
Such a man of mystery, this  
Ponce de Leon  
Written down in history,  
as the wondering one  
Who longed to be immortal  
in a world where nothing  
ever remains

#### CHANNEL

But the winds of home  
The sea of dreams  
Carry this man to his destiny  
He dared to believe that

#### CHORUS

Somewhere beyond  
What we have known  
Is a land where we eternally will  
never grown old  
I'm sure everybody  
searching for truth  
Has wondered if there really is  
a fountain of youth

Far beyond the mountains  
That reach to the sky  
There is an endless fountain  
that never runs dry  
It fills the void within us with a  
taste from heaven's  
infinite spring  
So we can't stop tryin' to follow  
our dream  
For no one is an island,  
but we all long to see

The promise that awaits us, but  
we've got to find the faith  
to believe

#### CHANNEL

That the winds of hope  
The sea of dreams  
Will carry us all  
To our destiny  
If we just believe  
Fountain Of Youth  
(Cont?d)

#### REPEAT CHORUS

Somewhere beyond what we  
have known  
Is a land where we eternally will  
never grow old  
I'm sure everybody  
searching for truth  
Will come to find that Jesus is  
the fountain of youth
