Like a machine in pursuit, on the horizon like a raging  
fire, we move,  
Driven by questions in an endless search for truth.  
there is a  
Stirring in us, a great awakening begins  
Chorus: I believe there's a mighty power. I believe it's a  
latter  
Rain. I believe there's a move of God calling us all  
higher. Oh I  
Believe these are the days of the great awakening.  
More than our hearts can contain, it is an overflow of  
God's amazing  
Grace coming to reconcile a world that's lost it's way.  
Oh all  
Consuming fire come purify us once again.  
Repeat Chorus  
Bridge: there's no containing this great move of  
restoration. It  
Knows no wall, no boundaries or lines. Without a doubt I  
do believe if  
We'll just get down on our knees the latter rain is gonna  
fall. It's  
Just a matter of time.  
Repeat Chorus
