This is a strange familiar place
Where I am living
The world that was and what's become are not the
same
I see the evidence of grace
Without forgetting
How far I've had to come to get me where I am today
If justice had the only say
Well I would not be here
Cause less than anything is more than I deserve
But I can put the past away
For I've discovered
There's nothing left to judge, forgiveness is the final
word

CHORUS

Everywhere I turn I see compassion but I'm learning
I'm just a fallen man
In the land of mercy
Love is free to grow where Heaven's healing waters
flow
Though I may not understand
I'm living in the land of mercy
It seems I never have to ask
For what I'm given
I see the answer long before I see the need
No longer looking to the past
As just a prison
For what has been helps me remember what I used to
be

CHORUS

BRIDGE

Though I may walk through the valley below
I will not fear because I know who rules this world
I'm walking through (repeat)

CHORUS

CHORUS

Love is free
I'm living in the land of mercy
Tell me what you see
I'm living in the land of mercy.
