Well I wanna do right
I wanna do something good
I wanna be a light on a mountain
'Cause I know that I should
Well I gotta be sure
I gotta know right where I stand
I gotta have the best of intentions
When I reach out my hand
'Cause each and everything we sow
Will come back to us I know
So we just gotta plant the
Seeds and watch them grow
CHORUS
Love boomerang
Throw it out and it'll come back around
Love boomerang
Guaranteed it's gonna find you out
Love boomerang
Throw it up and it'll come back down
Love boomerang
It's gonna end up right where it began
I can talk about hope
I can talk about living by faith
Sing about the sweet bye and bye
Up in a heavenly place
I can talk about grace
I can talk about all that I believe
Gotta wonder what good are my words
If they're not living in me
'Cause each and everything we sow
Will come back to us I know
So we just got to plant the seeds
And watch them grow
We gotta watch them grow
REPEAT CHORUS
