Here in this heart it's so hard to believe
You're still the one pursuing me
I feel I don't deserve
All that you've given me
Lord I am amazed tell me how can it be
That after all this time you'd still love me
So let me say to you
Thanks for the love you bring
Lord let these words I say
And the praises I sing always be
Chorus
For no other reason but to love you
For no other reason but to say that you're my god
For no other reason just because,
Just because you are
Lord I confess I am humbled inside
To know such a love, such a sacrifice
That in spite of all you've done
And all the joy you bring
Lord let these words I say
And the praises I sing always be
Repeat Chorus
Hey.hey.hey
Just because you are
Heyheyhey
Just because, just because you are
