The wheels of life are turnin'
I feel like I'm rollin' down this track
And I know down deep inside my heart
I can't look back
Though it's hard discerning the fiction from the fact
You led me to this truth and we hve made a pact
So as we go through highs and lows
And all those in between
It's good to know I'm not alone
On this big scream machine...
Chorus
'Cause it's a rollercoaster ride of life
Lifts you up and lets you down
It's a rollercoaster ride of life
Spins you 'round and 'round and 'round
Heaven knows wherever you go,
I'll be right by your side,
On this rollercoaster, rollercoaster ride of life
Rollercoaster ride of life
So when I hear you callin'
'Cause you have hit your rotten low,
I will hold you to my side and I won't let you go
And when it seems you've fallen
'Cause life has got you on a road
I will take the wheel and hit the brakes,
We'll take it slow
And as we go through highs and lows
And all though in between
The Lord alone is in control
Of this big scream machine
Chorus
Rollercoaster ride, rollercoaster a rollercoaster,
rollercoaster ride
Comin' around, rollercoaster, a rollercoaster, comin'
around
Life is another rollercoaster ride
The Lord is faithful,
He'll be right by your side on this...
Rollercoaster ride
Chorus
Rollercoaster, rollercoaster ride of life

Rollercoaster, rollercoaster ride
Life is a rollercoaster.....
