There's a rhythm in my wrist  
There's a pounding in my heart  
The steady beat of lie  
Moving in my deepest part

It's evidence to me  
That each moment's Yours to give  
So with every breath I take  
And every day I live

CHORUS  
This is mine,  
This will be my declaration  
Moment to moment  
My life through  
Everyday,  
This will be my declaration  
Oh Jesus I'm trusting you  
Trusting You

Find my spirit's like my flesh  
Got no power on my own  
Salvation's Yours to give  
It belongs to You alone

You saved me years ago  
And You save me day to day  
You'll deliver me from me  
So every step of the way

REPEAT CHORUS
