"Walk On"

Visit "[Walk On](#)" on MotoLyrics.com

The wind blows hard
The climb is slow
Shadows are dark
I stumble on these stones
But my Lord, You are near
I will not fear
CHORUS
I chose to take this road called faith
I will walk on
I trust that You will lead me through
I will walk on
No end in view
At times I feel alone and the signs are few
But at least they all say home,
And You my Lord, You're the hope I hold
Strength of my soul
REPEAT CHORUS
Because of love
There was an awful hill You climbed
And because of love
we live by faith
One step at a time
The course is set
Life's hard but yet
We will walk on
Around each bend, until the end
We will walk on
We chose to take this road called faith
We will walk on
We trust that You will lead us through
We will walk on
We Will Walk On
We Will Walk On
CHORUS
