A long time ago
Near a city called Jericho
A band of soldiers
All gathered around
And Joshua said
When it's time to go
You'll be marching
To the rhythm of the trumpet sound
Oh there were those
Who still had their doubts
That they could take the town
But don't you know
They became believers
When the Walls came down
CHORUS
Where you gonna be
When the walls come down
Tell me where you gonna be
Where you gonna be
When the walls come down
Tell me where you gonna be
Where you gonna be
When the walls come down
Tell me where you gonna be
Where you gonna be
When the walls come down
Tell me where you gonna be
Well some people
Pray for a Miracle everyday
At times they wonder
Where Heaven has gone
Though everyone says just
To Keep the faith
It's so hard to keep believing
When it takes so long
Oh once again
Try to reach beyond the walls
You can't get through
And don't give in
Or you'll miss the answer
That He has for you

If you really believe in what you're askin
Then just leave it up to Him
You just rest assured that it's gonna happen
Its just a matter of when
