When I see the sun  
Coming up in the sky  
When I see the stars  
In the still of the night  
Then I, I see who You are  
When I feel the breath of  
The wind in my face  
I rest in the warmth  
Of a Father's embrace  
Then I, I feel You Are  
CHORUS  
And who You are  
Is all I'll ever want to be  
Take my life  
Make what You will of me  
'Cause You're constantly changing my heart  
Leading me out of the dark  
Bringing me closer to who You are  
I'm ready to run  
And I'm ready to dance  
Live every moment  
Leave nothing to chance  
'Cause I, I know who You are  
I consider the Cross  
And the price that You paid  
I know that You live  
'Cause the stone's rolled away  
Oh I, I love who You are  
REPEAT CHORUS  
'Cause You're constantly changing my heart  
Leading me out of the dark  
And You're bringing me closer to who You are
