They say that into every life, some rain must fall
For the pain is no respecter, of the mighty or the small
But sometimes, it just seems so unfair
To see the one who's had more than his share
Oh it makes you wonder why
And Lord I wouldn't second guess, your mighty plan
For I know you have a purpose, that's beyond the scope
of men
If you look inside my heart, you will find
That I have always been the trusting kind
Oh but still I wonder
Why(I wonder why)
Do the rainy days have to come
When the storm clouds hide the sun
I wanna know why
Why(I wonder why)
When the reasons aren't clear to me
When it all is a mystery
I want to know why
And though down here, I may not understand
I wont let go of the Unseen Hand
For it holds the reasons why
The Lord has never been afraid, of honest prayers
And He won't allow the burden, to be more than you
can bear
When He knows, that your trust, is in Him
He doesn't mind the questions now and then
Even if you wonder
Why(I wonder why)
Do the rainy days have to come
When the storm clouds hide the sun
I wanna know why
Why(I wonder why)
When the reasons aren't clear to me
When it all is a mystery
I want to know why
And though down here, I may not understand
I wont let go of the Unseen Hand
For it holds the reasons why
When the storm clouds hide the sun
I wanne know wanna know why

Why
When the reasons aren't clear to me
When it all is a mystery
I want to know why
And though down here, I may not understand
I wont let go of the Unseen Hand
For it holds the reasons why

And though down here, I may not understand
I wont let go of the Unseen Hand
For it holds the reasons why
