"You Reign"

Visit "[You Reign](#)" on MotoLyrics.com

Long before you ever said
Let there be light
To long after this world has had
Its final night
Great god in heaven you'll be
Where Youve always been
Seated on your holy throne
King of all kings
Looking down on men
Chorus:
You are ruler above all the nations
Sovereign through all generations
Lord you reign
One day
All kings will tremble before you
I will bow down to adore you
Lord you reign
Morning and night the sky shouts
Your majesty
Saying the whole universe
Is under your feet
This is the peace in my heart
The strength of my soul
Whatever happens in life
This much I know
You are in control
Chorus
Bridge:
There none like you
Lord you are worthy
Whatever you do
Always is perfect
Repeat Bridge
