Tonight

From the Movie "Westside Story"

Performed by Marni Nixon Jimmy Bryant

Only you
You the only thing I see forever
In my eyes, in my words
And in everything I do
Nothing else but you ever
And there is nothing for me but Maria
Every sight that I see is Maria
Tony Tony, are we
Every thought I ever known
Everywhere I go you'll be
All the world only you, you and me

Tonight, tonight, it all began tonight
I saw you and the world went away
Tonight, tonight
There's only you tonight
What you are, what you do
What you say
Today all day I had the feeling
A miracle would happen
I know now I was right
For here you are
And what was just a world
Is a storm tonight

Tonight, tonight
The world is full of light
With suns and moons all over the place
Tonight, tonight
The world is wide and bright
Going mad, shooting sparks into space
Today the world was just a madness
A place for me to live in
No better than all right
But here you are
And what was just a world

Is a storm tonight

Good night, good night
Sleep well and when you do
Dream of me, tonight
