Full of potential
Yet nothing there
Filled with infinite ideas
Why so hard
Don't know what's the problem
Seems like pulling teeth
Never had this happen
I must overcome
Pressure
Pressure
Pressure
in my head
Pressure
Pressure
Pressure
in my head
Tap into the bank of knowledge
Reaching for the source
Look around in my mind
For some meaning
Don't know what I might find
Hope I find it soon
Taking just too much time
Sitting in this room
Pressure
Pressure
Pressure
in my head
Pressure
Pressure
Pressure
in my head
Don't like what I'm seeing
Lack of drive and thought
Don't know how to fix it
Time to start
Days of deep reflection
Nights of sweat and work
Have to beat this
This is my reward
Look around in my mind
Hope to find

Any ideas I like
And can write
Have to have some meaning
Not just some words
Put some music to it
Get to work
Pressure
Pressure
Pressure
in my head
Pressure
Pressure
Pressure
in my head
