She's got a lot on her mind, she's not wastin' time, she
knows what she's gotta have
Well, I can feel the fire in her desire, she knows I'm her
kind of man
So look out, baby, 'cause here we go, there ain't no
turnin' back
I got a one-way ticket to paradise, oh, you know it ain't
that bad

Teaser! I just can't please her
Teaser! Watch her tease and get on your knees
Teaser! I just can't please her
Teaser!

I'm talkin' my way down to the 'prize', she's diggin' it all
the way
I'm gettin' real close, "Baby, you're the most" is what
she had to say
"Well maybe next time you'll get some more than what
you got tonight"
I said, "Come on, darlin', you mean that's it? Baby, no,
that just ain't right!"

I'm makin' my move, lookin' for the groove, and I'm
waitin' for the call
On the side, she glanced at my pride and said, "Baby
that's just too small"
I said, "Look here, bitch, I'm here to rock, don't wanna
take no shit"
She said, "If that's the way you want it, then that's all
you're gonna get"
