

## Sacred Reich "Victim Of Demise"

Visit "[Victim Of Demise](#)" on MotoLyrics.com

Rotting corpse  
Slowly rotting away  
Fatally diseased  
A victim of rancid decay  
Death from inside  
The fuge growing shorter his life  
Darkness takes over  
Pathetic victim of demise

Decomposing internal organs  
Virus killing, mental disorder  
Limbs lie rotting, bodily slaughter  
Slowly losing his life  
Agonizing, dying pain  
From his body lifeblood is drained  
Prolonged suffering driving inside  
Victim of demise

Mutant genes  
Confusing the code DNA  
Cancerous onslaught  
An end to the suffering you pray  
Disfiguration  
A lesion, a polyp, a cyst  
Functional torture  
Entrails mangle and twist

Decomposing internal organs  
Virus killing, mental disorder  
Limbs lie rotting, bodily slaughter  
Slowly losing his life  
Agonizing, dying pain  
From his body lifeblood is drained  
Prolonged suffering driving inside  
Victim of demise
