Walking thru' grey faces, pushing past green places.
Don't tell me that you understand.
I could try to get away, to make the people go away.
All of the beautiful colours, painting in my room.

But I'm not gonna' use the bathroom towel.
Turn me inside out.
Think I'll slide back down the wall again.
I've forgotten how to shout.

I've forgotten how to breathe.
I've forgot just what I need.

But I'm not scared of you,
'Coz I know you hate me too

But I'm not gonna' use the bathroom towel.
Turn me inside out.
Think I'll slide back down the wall again.
I've forgotten how to shout.

But I'm not gonna' use the bathroom towel.
Turn me inside out.
Think I'll slide back down the wall again.
I've forgotten how to shout.
