In your room, we're much safer in your room.  
In your head, you're a flower in my bed.  
In your songs, on the sun it's always done.  
We're not here, we're just lying on the pond.

Said you were a doctor.  
I just stopped ten, oh yeah.

Twenty four, I'm just always wanting more,

Of your words. So won't you write my elegy.  
And your heart, three plus four can never start.  
I'm afraid, but will you punch me till I'm dead.

Said you were a doctor.  
I just stopped ten, oh yeah.
