It's the party time right now
Te wo kazashite ten ni if you feel me
Koshi yurashite baby if you feel me
Hi wo tomoshite mune ni if you feel me now

[Rap Verse: Suga Free]

That's all
Baby girl, cuz, he ain't got no game
And I tell every damn square the same damn thang
It kinda make me wonder why you even messin' with
dude
To only find out he a trick and sin, love with you
In the beginning, it's cool, you all he think about
But then he stop showin' it, cuz, you need to get that
drinkin' out
Put down that sake [{*nigga*}] and tell her you love
her
You never take her nowhere, unless she's under the
covers
She get tired of a man gettin' it down for free
You don't care about her, you probably need to
Give her to me
And I ain't talkin' 'bout no boyfriend
Girlfriend reality show
I'm talkin' about
The money you makin' and what she's doing it for
I make her comfortable
She feel right
And I don't, want no sex
I'm more comfortable with Asami and her royalty
checks
It's alright Asami, baby, want me to come to Japan
And sock ya pimpin' til you bangin' that this pimpin'
ain't planned
Hun?

[Repeat Chorus]

[Hook: Asami]

Hey ladies
Wake up, wake up, wake up, wake up
Get up, get up, get up, get up now (Hey players)
Wake up, wake up, wake up, wake up
Get up, get up, get up, get up now (Hey female)
Wake up, wake up, wake up, wake up

Get up, get up, get up, get up now (Hey fellas)
Wake up, wake up, wake up, wake up
Get up, get up, get up, get up now (Hey ladies)
Wake up, wake up, wake up, wake up
Get up, get up, get up, get up now (Hey players)
Wake up, wake up, wake up, wake up
Get up, get up, get up, get up now (Hey female)
Wake up, wake up, wake up, wake up
Get up, get up, get up, get up now (Hey fellas)
Wake up, wake up, wake up, wake up
It's time to wake up, time to get up

[Suga Free]
Right on
