Jonny can you hear me  
Turn that music down  
You're making too much noise  
I mean it do it now  
All that stuff is evil  
Ozzy, Judas Priest  
There's backwards messages  
In that stuff that leads you to the beast  
Jonny don't you hear me  
Open up that door  
I've been calling you for hours  
I won't say it anymore  
Just wait until your dad gets home  
And sees what you have done  
Kicked out of school you've got no job  
You're a useless delinquent bum  
Oh my god it's Jonny  
Hanging by his neck  
All those metal albums  
Have led him to his death  
Now it's time for parents  
To open ears and listen  
Maybe it's too late  
To see what you've been missing  
Music is no cause of death  
It's you that suffocates  
If you had opened your eyes and ears  
You'd see just who's to blame  
Who's to be responsible  
For a life that's gone off track  
Who's the one who must be there  
To see it gets put back  
Where were you to hear the cries  
Of a person in need  
Were you there to see the signs  
Or were you too busy  
Now it's time for parents  
To open ears and listen  
Maybe it's too late  
To see what you've been missing  
Music is no cause of death  
It's you that suffocates

If you had opened your eyes and ears  
You'd see just who's to blame  
Who's to be responsible  
For a life that's gone off track  
Who's the one who must be there  
To see it gets put back  
Where were you to hear the cries  
Of a person in need  
Were you there to see the signs  
Or were you too busy  
Who's the cause, who's the blame  
For a life that's not worth living  
Is it parents, family  
Who take without giving  
So nex
