As Dawn breaks the Battle begins
Anew time to fight
Again songs of Metal we sing
They guide us with Might
May Destiny lead us to Slaughter
Our righteous Crusade
To slay our Fiend and to conquer
The bastards will pay
Blessed by the Gods
Gods of Metal reign
Vengeance for the Dead
A raging War insane
Into the Fire
Deceivers burn in Flames of Hate
Feeding the Pyre
Crusaders Of The Metal Blade
Death to the Liar
With Sacred Steel annihilate
Kill with Desire
Crusaders Of The Metal Blade
A dark Fate in store for the Foe
You'll pay for your lies
Feel our Hatred, Bringer of Woe
By Metal you'll die
Enslaving the young and the old
Your women fall prey
Cutting your flesh to the bone
No mercy, just pain
