Nightfall  
Retaliation  
The hour to strike  
Grin faces show resolution by candlelight  
Dark figures  
Hooded madman  
Prepared to slay  
The circle of the witches will soon fall prey

It is the night  
The signs are here  
It is the night  
Come show no fear

Witches burn - witches cry  
Witches burn - witches die

Strike with righteous fury  
Extinguish the plague  
End thier unspeakable blasphemies with christian hate  
They have taken our children  
Cursed us with spells  
Come join us in the chase  
Send them to hell

Burn - let the withches burn - burn the withches

Spare none  
Be fast and deadly  
Avoid their eyes  
Eradicate their wanton deeds that shame our minds  
Then trample down  
The unpure ashes  
Anoint this place  
Where we have killed for our lord father  
Build a church of praise - Amen

Show no fear - Shed no tear
