"Purified By Pain"

Come scream to me
end a life made of pain
confess to be free
come die for me
free your mind go insane
my wrath you shall feel

Die for my sorrow
torture my game

Death is my right
I shall kill tonight
with no hope in sight
perish in the name of the beast
on you I shall feast

then you are at least
purified by pain

Come cry for me
drive me wild with your screams
now you know me well
relief's what you seek
helpless red mass of meat
see I am your hell

Beaten and tortured and slain
raping again and again
know that your cries are in vain
