I am traveling home

I am in a rush, but this day is already diming(goingaway)

A rising love is waiting for me, only for me

The world is changing so fast, there is no place for sadness

I am coming back again on the long way home

Somebody is waiting silently for me near the window

Our street is alrDµD°dy cool/cold

The wind is taking away the flying birds

In the dark sky

It smells like the sea
