You can ask anyone you know, not afraid to let it show,  
the way I feel for you is true, you can ask anyone you  
meet, I'm

Gonna sweep you right off your feet, cuz I just gotta  
have your kiss, it's so sweet

I'd walk 10000 miles in the pouring rain, crawl across  
Texas just to see you again, I'd give anything just to  
live in the  
State of your heart, the state of your heart

Just wanna sit and talk with you a while, wanna look at  
your pretty smile, maybe later we can see a show, so  
let's go... I'm

So glad that you're mine, cuz you really are something  
fine, cuz I just can't get your body off my mind

I'd walk 10000 miles in the pouring rain, crawl across  
Texas just to see you again, I'd give anything just to  
live in the  
State of your heart, the state of your heart

So baby I'm here to stay, no I'm never gonna move  
away, cuz I wanna wake up in your arms every day, ya  
someday I'm gonna be

King and you can be my queen, you can anything you  
want, anything that you please

I'd walk 10000 miles in the pouring rain, crawl across  
Texas just to see you again, I'd give anything just to  
live in the  
State of your heart, I'd walk 10000 miles, crawl across  
Texas, I'd give anything just to live in the state of your  
heart
