Yeah, so anesthetize this aesthetic
we've got this all wrong
we're inordinately subordinate, enslaved by your
fashion

We're nurturing apathy with our philistinism
Comforted by routine and ancillary acquisition

missing lyrics

this is the volte-face response to your way of thinking
this is the refusal to accept what we've let this become
Yeah
We've got this all wrong (all wrong)
LET GO
We've got this all wrong (all wrong)
LET GO
shed your delicate aloofness one time and let go
this is the supplemental supplication
these are the p o l i t i c s of dancing

This is the volte-face response to your way of thinking
this is the refusal to accept what we've let this become
Yeah

We've got this all wrong (all wrong)
LET GO
We've got this all wrong (all wrong)
LET GO
