Compulsion - how I'm feeling you  
Raped - temporary watch  
Overblowing out a tear  
In which you mind lights up you fear  
Filthy crust of egoism  
Glowing by one's greed

...greed...

Obsession - all colors seem to fade  
Everlasting hesitation - sexual defeat

...sexual-defeat...

I cut you down  
And you shall bow  
Can't lie to me  
Denying me

Compulsion - swallowing one's grace  
Masturbating safely - to reward your soul  
Overlowing out a tear  
In which your mind lights up your fear  
Filthy crust of egoism  
Glowing by one's greed

...greed...

I cut you down  
And you shall bow  
Can't lie to me  
Denying me

I cut you down  
And you shall bow  
Can't lie to me  
Denying me
