All this time awaiting night  
At it's end awaits a trial  
The reflections of a knife cut through the dark and an  
Alliance of hearts

With the setting sun  
The tides rise  
With the setting sun  
To end a life  
With the setting sun

As the waves pull back the treasures are revealed

I heard I would fear but I'm not scared of an inevitable  
End

With the setting sun  
The tides rise  
With the setting sun  
The hearts divide  
As the waters rise  
You fight for life  
With the setting sun  
As the world dies
