You got too much to fall away,  
So don't fall away,  
Just keep on rolling on the way,  
Every day, every day,  
You know you got to find a way,  
To find a way from this stuff here,  
Just don't forget to wait,  
For the right time to go

Falling Down on that side again,  
That side again that side again,  
You know where to get away,  
To get awa-a-a-a-ay,  
Falling Down on that side again,  
That side again that side again,  
You know where to get away,  
To get awa-a-a-a-ay

You got too much to fall away,  
So don't fall away,  
Just keep on rolling on the way,  
Every day, every day,  
You know you got to find a way,  
To find a way from this stuff here,  
Just don't forget to wait,  
For the right time to go

Falling Down on that side again,  
That side again that side again,  
You know where to get away,  
To get away

Falling Down on that side again,  
That side again that side again,  
You know where to get away,  
To get awa-a-a-a-ay,  
Falling Down on that side again,  
That side again that side again,  
You know where to get away,  
To get awa-a-a-a-ay
