Let me take you on a trip
A journey full of sound and beats
One that will lead you down,
Way down

And the way you make me feel...

Let me take you on a trip
A journey full of sound and beats
One that will lead you down,
Way down

It's been so long
(I keep thinking of you)
And I'm all alone
(I keep thinking of you)
It's been so long
(I keep thinking of you)
And the way you make me feel

It's been so long
(I keep thinking of you)
And I'm all alone

(I keep thinking of you)
It's been so long
(I keep thinking of you)
And the way you make me feel...

And the way you make me feel...

Let me take you on a trip
A journey full of sound and beats
One that will lead you down,
Way down

It's been so long
(I keep thinking of you)
And I'm all alone
(I keep thinking of you)
It's been so long

(I keep thinking of you)
And the way you make me
Feel, feel, feel, feel, feel, feel, feel, feel, feel, feel,
feel,
Feel
