The city streets are empty now  
(The lights don't shine no more)  
And so the songs are way down low  
Turning, turning, turning  
A sound that flows into my mind  
(The echoes of the daylight)  
Of ev'rything that is alive in my blue world

I turn to stone when you are gone  
I turn to stone, turn to stone  
When you comin' home  
I can't go on

The dying embers of the night  
(Are fire that slowly fades to dawn)  
Still glow upon the wall so bright  
Burning, burning, burning  
The tired streets that hide away  
(From here to ev'rywhere they go)  
Roll past my door into the day  
In my blue world

I turn to stone when you are gone  
I turn to stone, turn to stone  
When you comin' home  
I can't go on  
Turn to stone when you are gone  
I turn to stone  
Yes I'm turning to stone  
'Cause you ain't comin' home  
If I'm turning to stone  
You've been gone for so long  
And I can't carry on  
Yes I'm turning, I'm turning  
I'm turning to stone

The dancing shadows on the wall  
(The two step in the hall)  
Are all I see since you've been gone  
Turning, turning, turning through all  
I sit here and I wait

(I turn to stone,I turn to stone)  
You will return again some day  
To my blue world  
Turn to stone when you are gone  
I turn to stone
