Verse 1

Ignore everything they try to tell you
And just believe in yourself
Pay close attention to your heart
And it'll give you the will to realize

Inside of you, is everything
You will need to be free
Inside of you is all the key
You will need, you will see
And you can do anything
In spite of it all

Chorus

It's only a matter of Time, if you truly Believe
If you truly Believe, there is nothing you can't do
It's only a matter of Time, if you truly Believe
If you truly Believe, there is nothing you can't overcome

There is nothing you can't overcome (Aah!...)

2nd Verse

Don't ever fan the flames of Fear
There is no need to be afraid
In every one of those tears you cried
In every drop there's a lesson

When you got a sense of who you are
It'll become so easy
Soon you'll learn that some disappointments
Are blessings in disguise

Chorus

It's only a matter of Time, if you truly Believe
If you truly Believe, there is nothing you can't do
It's only a matter of Time, if you truly Believe
If you truly Believe, there is nothing you can't overcome

(Chat)

Sometimes the road is ahead is so full of obstacles
But you only need to strive harder

If you truly believe, it's only a matter of Time
So don't give up (Aah!...)

Chorus

It's only a matter of Time, If you truly Believe
If you truly Believe, there is nothing you can't do
It's only a matter of Time if you truly Believe
If you truly Believe, there is nothing you can't overcome

There is nothing you can't overcome... Ooh! Ooh!

Chat

And when you know
When you truly got a sense of who you are
Who you want to be
It all become so clear
And before you know it
It's Only a matter of Time
And it's right before you
So don't give up

When you know, When you truly know
When you got a sense of who you are
It all become so clear
It is then that you'll truly know
And before you know it
It's only a matter of Time
And it's right before you
So don't give up

When you know
When you truly got a sense of who you are
It all become so clear
And before you know it
It's only a matter of Time
And it's right before you

So don't give up!
