Eyes of the Greedy  
See what they will  
Lust of the Flesh  
A need to fulfill  
The Fool and the Liar  
Must feed the desire  
The Will to acquire  
The Eyes of the Greedy will always Crave for more  
Feasting hungry Eyes on this worthless Horde  
The Eyes of the Greedy will see no Sleep or Rest  
Are you saved or enslaved  
Trapped by Need to have  
Feel it clench you  
Do you want to give in  
Through the Eyes the Will to see what they want to see  
Looking through the Eyes of Greed  
Feel Temptation burn  
Each earns his own Fate  
Each one has a will to Live  
Blind are the Eyes that Need  
Looking through the Eyes of Greed  
Eyes of the Greedy  
See what they will  
Lust of the Flesh  
A need to fulfill  
Looking through the Eyes of Greed  
Feel Temptation burn  
Each earns his own Fate  
Each one has a Will to Live  
Blind are the Eyes that need  
Looking through the Eyes of Greed
