Staring at the Walls around me  
Pale and dismal life  
I'll leave  
A Time of Emptiness  
That surrounds me  
Waiting just for Life to be  
Seclusion into the Mind  
Involuntary Refuge  
A Period in Time  
I'll wait  
The carving out of Life  
Left in Solitude  
Wise enough to See  
It will Change  
Time won't help me  
While I'm Waiting  
Tired of Living  
This way I'm Feeling  
Delaying Await  
Depression Fills me  
Descending Feeling  
Lapse of Meaning  
Throw it Away  
Throwing it all Way  
Throw it Away  
Throwing away the Day  
Wasting my Life  
Waiting for others to get with the Plan  
Taking their Time  
I can't wait forever for this I won't Stand  
Time after Time  
Leaving us dormant and rotting away  
Waste of the Day  
Until we take Hold and Break Free we'll Pay  
Time won't help me  
While I'm Waiting and Throwing Away the Day  
Throw it Away  
Throwing it all Way  
Throw it Away  
Throwing away the Day  
Mourning Time  
Seeps into your Head

Dazed in Wait  
Day is Dead  
Slow to Pass  
Tired of this Life  
Tired of this Life  
I bet I'll Die to Live  
Alone
