Verse 1: Fat Joe  
Yeah, yeah, uh, uh, woo, yeah, slow down baby  
Let you know from the gate I don't go down lady  
I wanna chick with thick hips  
That licks her lips  
She can be the office type or like to strip  
Girl you get me aroused how you look in my eye  
But you talk to much man your ruinin' my high  
Don't wanna lose the feelin'  
Cause the roof is chillin'  
It's on fire & you lookin'  
Good for the gettin'  
I'm rida

Other in a hoodie or a linner I'ma provider  
You should see the jewelery on my women  
& I'm livin' it up  
The squad stay feelin' the truck  
With Chicks that's willin' to triz with us uh  
You say you gotta man & your in love  
But what's love  
Gotta do with a little menage  
After the party  
Just me & you  
Could just slide for a few  
& she could come too  
That's love!

Chorus

Verse 2: Fat Joe

Yeah, uh, yeah, yo, mommy, I know you got issues  
You gotta man  
But you need to understand  
That you got something with you  
Ass is fat, frame is little  
Tattoo in your chest with his name in the middle  
Uh, I'm not a hater I just crush a lot  
& the way you shake your booty I don't want you to stop  
You Need to come a little closer (You need to come a  
little closer)  
& let me put you under my arm like a Don is supposed  
ta (Like a Don is supposed ta)  
Please believe  
You leave with me  
We'd be freakin' all night like we was on E  
You need to trust the god & jump in the car  
For a little hard 8 at the Taj Mahal  
What's love?

Chorus

Verse 3: Fat Joe, Ashanti

Yeah, uh, yo, I stroll in the club with my hat down  
Michael Jack style  
Hot 7 who the mack now?  
Not my fault cause they love the kid  
Ma be the chain or the whip  
I don't know what it is  
We just party & bullshit  
Come on mommy put your body in motion  
You gotta nigga open  
You came here with the heart to cheat  
So you need to sing the song with me

All my ladies come on

Ashanti (Fat Joe)

When I look in your eyes there's no stopin' me

I want the Don Joey Crack on top of me (Uh-huh)

Don't want your stacks (Yeah)
