Jesus loves me yes I know  
Caught the dragon by his toe  
If I holler don't let go  
Girl you've got to take it slow

Roll down the window if you're in your car  
Cool down the middle, don't go too far  
Flashing lights behind us make you scared  
I keep on driving like they're not even there  
The road is rocky yeah  
Nothing's fair  
But that's life baby  
Slow it down, daddy's here

Girl I know it's been a long time  
Take it slow  
Take it slow  
Take it slow

Yes I know it's been a long time  
I'm going to hit it slow  
Hit it slow  
Hit it slow

Roll down the window and spin the world too  
I got further to go, from the bus to the studio  
Flashing lights behind us may make you scared  
But don't worry about those shadows girl  
Because there really ain't nothing there  
The road of life is rocky, nothing is fair  
But that's just life baby  
Slow it down, daddy's here

Girl I know it's been a long time  
Take it slow  
Take it slow  
Take it slow

Yes I know it's been a long time  
I'm going to hit it slow  
Hit it slow

Hit it slow

Hit it slow

Hit it slow

Girl I know it's been a long time

Gonna take it slow

Take it slow

Take it slow

Yes I know it's been a long time

I'm going to hit it slow

Hit it slow

Hit it slow

Hit it slow

Hit it slow
